

Employee Health and Performance

A healthy workforce is a high-performing workforce

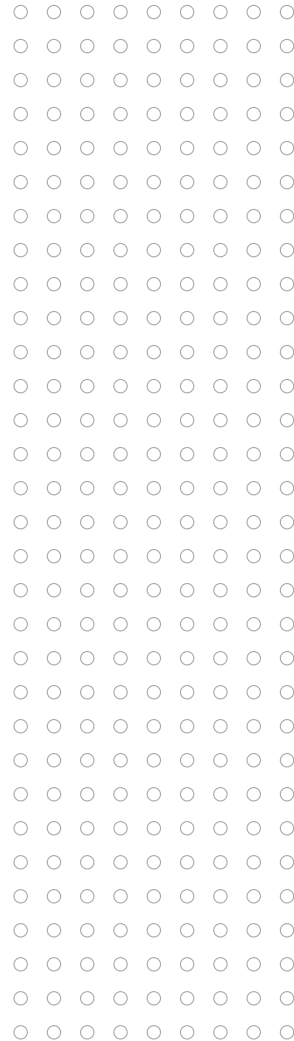

Wellbeing resources at your fingertips!

Employers are realizing the benefits of making employee health a priority. When employees make healthy lifestyle changes, they are more productive.

HUB's ChooseWell Online helps you deliver the information and resources you need to implement a broad range of wellness strategies and programs.

As a HUB client, ChooseWell Online provides you the assistance you need in the following areas:

- Getting started with wellness
- Data collection and evaluation
- Turnkey awareness campaigns and challenges
- Program planning tools and guidance
- Employee communication pieces

HOW TO GET STARTED

1. Go to ChooseWellOnline.com and select "CREATE ACCOUNT"
2. Use the Client Access Code "HUB2024-1" to confirm you are a HUB Client.
3. Follow the steps to complete the registration process and gain access to employee health and performance tools.
4. Join the next New User Training for more information.
